Jay Lorch was present from the Breezy Point Police Dept. to give the police report. It has been quiet this last month. He stated that people should keep their eyes open for suspicious activity as cabins are now empty for the winter. Olson asked Lorch where the best place is to purchase AED equipment as our batteries and pads need to be replaced in December, Jay will check with Jason or Joe and let Olson know.

Minutes of October meeting were discussed, Galles made a motion to approve minutes, seconded by Olson, motion carried.

Roy Zillmer was present from W. Cree Bay Circle, he stated that as of August 2014 the signatures were over 100 to have their road paved. Roy was wondering if we will get an accurate bid if we do this in Feb. or March because of snow, etc. Galles said yes as they don't need to look at it but go by materials, lowest cost for doing roads will probably be in Feb. or March. Zillmer said there is some confusion of who to call for meeting times. Galles said he does send it out to people and it is on our web page. Board stated we cannot do the snow plowing on that road this winter as there is too much brush and the belly plow can't make the hill. Feasibility study has been done. Galles will be in contact with Al Knowlen from Anderson Brothers for bid specs. and he will get the numbers together so we can bid this in 2 sections- gravel and aggregate, which may be able to save money.

Bills to be paid were presented, Tracy made a motion to pay all bills seconded by Olson, motion carried.

Jody Wallin checked to about automated bill pay, will cost \$6.00 per month, she will check to see if they would waive the \$6.00 per month.
