

Regular Meeting  
October 8, 2015

The regular meeting of the Pelican Town Board was called to order by Chairman Bruce Galles. Present: Supervisors: Bruce Galles, Robert Olson and Tracy Donovan, Treasurer: Jody Wallin, Clerk: Shirley Wallin. Also present: Susan Zweigle, Bob Zweigle, Roy Zillmer, Shirley Runberg, Julie VerBout, Brad VerBout, Harlan Johnson, Tony Loberg and Jason Rieber from Breezy Point Police.

Pledge of Allegiance was said by all.

Residents from West Cree Bay had some questions about their road, Galles stated that the board hasn't done much about this road since the last meeting. We are trying to do the rest of the engineering ourselves so we can get the cost down some. The dirt moving is the biggest need to do, because of the big hill and some very low areas. May not be Anderson Brothers that get that portion of the bid. Galles feels we have enough info to be able to do the specs ourselves. Donovan made a motion that we proceed with the final engineering specs, advertising and get bid cost of the road project, seconded by Galles, discussion held, vote taken, 2 ayes, Galles and Olson and 1 nay Donovan, motion carried. Harlan Johnson wanted to know if township can plow their road this winter, board felt that we wouldn't do the winter plowing without anything done to it yet as the plow would not make it through there in places, best to wait until we actually take the road over. Galles and roadman will take a look at it if time permits. Board will try to advertise bids in Feb. or early March.

Police Report: Jason Rieber was present, had mostly traffic stops, agency assists, but not a lot going on within the township. Jason received the Distinguished Award for outstanding law enforcement officer.

Susan Zwiegle asked if Galles had any figures together yet to see if the West Cree Bay road project can be done without them having to assess all land owners and paid up front. Galles said he hasn't had a chance to do that yet. Assessment will be a little over a \$1,000.00 per lot. Discussion held. Galles will speak to Harlan Johnson to see if he can persuade them to try to pay up front instead of assessing.

Minutes of September meeting were reviewed, Donovan made a motion to approve minutes, seconded by Galles, motion carried.
