

Regular Meeting

May 8, 2018

The regular meeting of the Pelican Town Board was called to order by Chairman Bruce Galles. Present: Supervisors: Bruce Galles, Robert Olson, Bruce Westerberg, Treasurer: Jody Wallin, Clerk: Shirley Wallin. Also present: Roy Zillmer, Calvin Wallin, Brad Hanson and Tony Loberg.

Pledge of Allegiance was said by all.

Public Forum: Brad Hanson who lives on West Cree Bay Circle said his driveway is hidden and would like a hidden driveway sign and also when coming into West Cree Bay would like a Children at Play sign maybe 2 signs. There are 25 mph signs on that road now, but people still go faster than that. By consensus of the board Loberg will order signs and put up. Roy Zillmer wanted to know if anything can be done with the dirt and mud on the road from construction of a new house by the road that was vacated (Pelican Trail). Town cannot do very much about tracking dirt onto the paved road. Discussion held about being able to assess the people from Pelican Trail, as the said they would never use the West Cree Bay Rd., now the new house people are accessing West Cree Bay Rd. An issue was brought up from Edina Realty that people that own lot 6 are encroaching on road right of way interfering with Rasmussens lots 7, 8, and 9 (no buildings on those lots).

No police report.

The road over by Mission is really bad and we need to get together with Mission Township as it is a shared road, don't need sealed bids if under \$175,000.00 only quotes. There is a branch issue on Pelican Way Rd. Loberg will check out. Jana Geib who lives on Beaver Dam Rd. called about putting in a driveway on a piece of property, Galles will contact her Olson made a motion to approve Tony Loberg's incentive check for \$1.00 per hr. worked from 5-1-2018 to 4-30-2018 seconded by Galles, motion carried. We may have Anderson Brothers come out and do Shelstad Road with the new crack sealing process, they will bring the equipment and do for \$6,000.00. We will try this and see if it would be the way to go.
