Road Report –

Tony: Plowed in November 4 or 5 times, as well as sanded 4 or 5 times. Equipment is in good shape. Where we seal coated on Sunset Valley – the plow sparks more, no real added wear as far as can tell on the plow, however, it appears to plow off better.

Resolution for Channel Lane speed limit of 25 – Morris made motion to accept as written, Galles seconded, none opposed, motion passed unanimously

Committee Reports –

Nothing to report

Zoning Issues – DRT December 14, 2020

West Cree Bay x3 for storage containers – Morris will not vote if need be on any of these issues as he feels it is a conflict of interest due to his business, however, Galles has asked for his information to be shared as he has a greater understanding. There is a change to the law that allows storage containers to be like sheds. The issue with one property is it is on a slab that has not been approved.

Snedeker – property is on the private part of Cinemo Bay, looking to be 11 feet from RROW – can they move it closer to the house or shrink the size to be further from road?

New, Old, Other Business –

Covid Relief Act Funds – MAT newsletter made it sound like might still be available and useable for computers, etc – Dennis will check into
