Road Report –

Tony: Roads are in good shape thanks to the sun. Based on the forecast we are consistently seeing – we should not need any more salt sand. Prepping tar pod as could possibly start seal cracking some of the main roads in next couple of weeks if weather continues.

Committee Reports – Short term rentals – state voting on the bill soon. Cable commission is working on scholarship applications.

Zoning Issues –

***Public Hearing** –PCBOA meeting dated 2/20/2020 for Cerise on Stewarts Bay

#Westerberg attended meeting – county decision and information as follows

#garage ok as stands, square footage almost 7,800 lot not big enough

#county requires more land as part of the property for dwelling

#chicken coup within the right of way has to be moved

#raised garden in the center of the driveway that is less than 3 feet from the black top

- this is a township issue to enforce – we will address in the spring

***Foote DRT**

#lot plotted in 1965, 130 ft deep, 48 ft wide at the lake, 17 ft wide at the road

#owned for 3 years with a pop up on the lot

#recently purchased a park model and placed a holding tank under it

#within 25 feet of the lake – not ok, move forward enough that they are within 8 ft of property lines much more likely to get variance

#township will work with distance from road

#county requiring septic plan and a survey to be done

New, Old, Other Business –

Police contract given to board to look at before Annual meeting next week

Town Law Review having to do with road right of way in Burnsville on March 16 – Buck will attend

Meetings

Next Regular Meeting – Tuesday, April 7, 2020 @ 7:30 pm
